

FORMAX

Stationery and Media (Pty) Ltd

About Formax Stationery and Media (Pty) Ltd

Formax Stationery and Media (Pty) Ltd is a company in the computer paper and stationery industry. We are a distributor of business forms, office paper products, stationery and other consumables. The company is affiliated to Formax (Pty) Ltd a National Office Consumables Company with branches in Johannesburg, Durban and Cape Town. Formax commenced trading in 1982 as allFORMS (Pty) Ltd. The establishment of Formax (Pty) Ltd took place in 1994. Due to their reliability and professionalism, their reputation is well established in the industry.

The founders of Formax (Pty) Ltd recognised the need for transformation and founded Formax Stationery and Media (Pty) Ltd with the express purpose of empowering historically disadvantaged South Africans. The company has a small staff compliment and skills base and relies on the logistics and resources of Formax (Pty) Ltd to assist with trade. The mentorship of Formax management assists the business in acquiring the necessary industry expertise, while the long term goal is an independent entity which is able to compete on an equal footing in a highly competitive market place.

The Business of Formax Stationery and Media (Pty) Ltd

Formax Stationery and Media is a supplier of business forms and custom print solutions both cutsheet and continuous which enable us to fulfil all printing requirements. Services include the design, manufacturing, warehousing and customising of individual forms for clients specific needs

The affiliation with Formax makes us the leading stockist of standard forms compatible with all major software applications. These are designed specifically for leading accounting and business software programs. The allFORMS range encompasses over 300 individual business forms. The company is also a major supplier of continuous eyeline and consol paper with our Stocklist range of quality products. Substantial buying power via Formax means that we are able to supply 80gsm copy paper in significant quantities at competitive prices.

More than 3 000 different stationery items are offered by Formax Stationery and Media. The above ranges are complemented by the Office Care range of products which include the everyday staples of tea, coffee, milk and cleaning materials in addition to pre-packed ration packs. Office Furniture has also recently been added to the product offering. The addition of this range renders our business capable of servicing most office requirements.

With our vast experience, wide product range and national footprint, Formax Stationery and Media is ideally positioned to be of service to your business as your one-stop BBBEE office consumables supplier.
